1 1 Section 1. There is appropriated from the road use tax
 1 2 fund to the state department of transportation for the fiscal
 1 3 year beginning July 1, 2003, and ending June 30, 2004, the
 1 4 following amounts, or so much thereof as is necessary, for the
 1 5 purposes designated:

1 6 1. For the payment of costs associated with the production
 1 7 of driver's licenses, as defined in section 321.1, subsection
 1 8 20A:
 1 9 \$ 2,820,000

Road Use Tax Fund appropriation to the Department of Transportation (DOT) for lease of the Driver's License Digitized Photo Imaging System.

DETAIL: This is a decrease of \$1,177,000 compared to the FY 2003 estimated net appropriation. The lease costs are based on the number of licenses issued. In prior years, the actual costs have been more than the amount appropriated. This resulted in the Department having to use a portion of the appropriation to fund prior-year lease costs. In FY 2003, the DOT was appropriated additional funds to cover payments due for FY 2002. The FY 2004 appropriation is expected to be sufficient to cover the FY 2004 costs.

1 10 Notwithstanding section 8.33, unencumbered or unobligated
 1 11 funds remaining on June 30, 2004, from the appropriation made
 1 12 in this subsection, shall not revert, but shall remain
 1 13 available for subsequent fiscal years for the purposes
 1 14 specified in this subsection.
